“Foreword”

Greeting Missionaries:

We are truly grateful and appreciative that the Lord has allowed the Women's Missionary Council to be of service to others for 102 Years.

On February 11, 2020, the World Health Organization announced to the entire world a Coronavirus Outbreak (COVID-19).

“Through it all, Through it all, I've learned to trust in Jesus, I've learned to trust in God; I've learned to depend upon His word.”

There is solace in knowing God is always there, ready to help us. This knowledge inspires us to stay strong and to continue to hold on to God's word. God's word never changes nor does the mighty God.

When we hold our business and plenary sessions, you will hear reports from the Council Officers, Division Leaders and Chairpersons of Committees. The Compilation Book provides reports of the Region Presidents and Departmental Secretaries with detailed information of the work done by the missionaries. You will receive a glimpse of the exemplary work done by the missionaries of the CME Church across the Connection and in Jamaica, Haiti and Africa.

Thanks to Mrs. Evelyn Gosey, Chairperson of the Compilation and Statistics Committee, and members of her committee for an exceptional job in producing a book of this magnitude!

We are grateful for the support of our Episcopal Leaders, Presiding Elders, Pastors, Missionaries on all levels and our entire CME Family.

“May God Bless and Keep each of you forever in His Care”!

Yours in Christ,

***Dr. Jacqueline I. Scott*
International President - WMC**

A HISTORICAL SKETCH OF THE WOMEN'S MISSIONARY COUNCIL

The Women's Connectional Council of the Christian Methodist Episcopal church was organized September 7, 1918 at Capers Chapel CME Church in Nashville, Tennessee. Dr. Mattie E. Coleman from Tennessee was elected the first president and Mrs. Helena B. Cobb from Georgia was elected vice president.* Other officers elected were: Corresponding Secretary, Mrs. M. L. Copeland from Kentucky; and Recording Secretary, Mrs. T. H. McKenzie from Alabama. Other officers appointed by the President and affirmed by the Council were: Assistant Recording Secretary, Mrs. S. L. Helm from Illinois; and Treasurer – Mrs. Cora L. Nelson from Mississippi. In 1986, the name was changed to the Women's Missionary Council of the Christian Methodist Episcopal Church.

The Mission of the Women's Missionary Council of the Christian Methodist Episcopal Church is to share the good news, salvation through Jesus Christ with unsaved men, women, and children at home and abroad by using the processes and programs outlined in the Bible, the ***Book of Discipline*** of the Christian Methodist Episcopal Church, and the Constitution and By-Laws of the Women's Missionary Council.

The Women's Missionary Council operates at four (4) levels namely: The Council, the Annual Conference (Region), the District Conference, and the Local Church under a Constitution ratified by the General Conference and By-Law certified by the Quadrennial Assembly. Information flows downward and each level is organized the same as the Council Level. The Council serves in thirty-two Regions (Annual Conferences) in the United States, seven Regions (Annual Conferences) in Ghana and Nigeria, Africa, and several Regions in Haiti and Jamaica. Since the 2010 General Conference established an 11th Episcopal District in Africa comprising 10 countries; we have extended our Overseas Missions to include these countries.

The Council meets annually for Executive Board (except the year in which the Quadrennial Assembly is held) to hear reports from the Council's Officers, the departmental secretaries, and chairmen of committees and commissions. The first Executive Board was held in 1940. ***The Quadrennial Assembly*** is held the last week in June, during which time the Council Officers, Departmental Secretaries, and Chairpersons are elected for a four year term, with the possibility of serving a maximum of two terms or eight years.

Since 1940, a publication entitled the ***Missionary Messenger*** has served as the official organ for the Council. The Council grows and develops through Institutes, Leadership Schools, and Council Training Programs. The Council is presently emphasizing: Education, Health Initiative, the relief of Hunger at Home and Abroad, Mentoring, and the Black Family.

The programs of the WMC are done through three Major divisions with each division having a leader, and departments. Each department has a leader who is called the "Secretary" of the department. Much of the work is done through these departments. The Divisions are: Structure, Program, Service and Outreach. The Logo is the wheel. Each officer, departmental chairperson, and secretary of a committee or commission is listed on a spoke.

The Council is affiliated with our sister denominations, the African Methodist Episcopal Church (AME), the Methodist Episcopal Zion Church (AMEZ). Being ecumenical minded, the Council is affiliated with many national and international religious and social organizations including: Church Women United, American Bible Society, Bread for the World, National Council of Churches, World Federation of Methodist and Uniting Church Women, Balm in Gilead, the National Council of Negro Women, and the NAACP.

Eleven Presidents have led the Council in an outstanding manner, namely: Dr. Mattie E. Coleman (1918-1939), Mrs. Rossie T. Hollis (1939-1955), Mrs. E.W.F. Harris (1955-1963), Mrs. Phyllis H. Bedford (1963-1971), Mrs. Pauline B. Grant (1971-1979), Dr. Thelma J. Dudley (1979-1987), Dr. Sylvia M. Faulk (1987-1995), Dr. Judith E. Grant (1995-2003), Dr. Elnora P. Hamb (2003-2011), Dr. Princess Rogers Pegues, (2011– 2019) and Mrs. Jacqueline I. Scott. (2019—Presently). A Bishop is assigned by the College of Bishop to assist and give spiritual guidance to the Missionary Council. He is known as the Patron Bishop. Presently serving is Bishop James B. Walker.

Officers for 2019—Presently— President— Mrs. Jacqueline I. Scott, Vice President- Mrs. Calandra F. Hunter, Recording Secretary - Ms. Theresa Duhart, Assistant Secretary- Mrs. Deborah Dickerson, Treasurer— Dr. Nellie B. King, Editor- Mrs. Geraldine Taylor-Winslett, Immediate Past President— Dr. Princess A. Pegues, Past President - Dr. Elnora P. Hamb, President Emeritus – Dr. Judith E. Grant.

Region Projects: Hope For the Homeless, Sewing a Seed Sewing Center in Nairobi, Kenya
Lights on a Hill, Leave City Better

Number Participating Three Districts of the Southeast MO, IL, WI Region

Briefly describe your projects:

1. Region Project: Hope for the Homeless

Purpose: To be more intentional in addressing the issues of homelessness

Scripture: Jesus replied, "*Foxes have dens, and birds of the air have nests, but the Son of Man has no place to lay His head.*" (Matt. 8:20)

Under the leadership of Region Division III, Leader, Lisa Shelly, our Region has implemented the Hope for the Homeless project.

1. Each District Missionary Society along with the local societies developed, expanded, or renewed programs/ ministries to specifically target issues related to homelessness in each individual District.

2. Each District President appointed a Division III Leader to lead this initiative in each district.
3. Each Society was to look at statistics of homeless in individual districts to determine specific needs/issues when developing ministries.
4. Local societies are encouraged to implement ministries /projects such as: preparing meals for the homeless, aid in housing the homeless, prepare toiletries to distribute, support soup kitchens and homeless shelters; support food shelters that house the homeless, provide care packs for the homeless and children who are in homeless Day shelters, provide blankets, shoes, hats, gloves to distribute to schools with children living in shelters, etc.

II. Sewing a Seed Sewing Center in Nairobi, Kenya

It was a great honor for both me and the Missionaries of the Southeast Missouri Illinois, Wisconsin Region when Bishop Kenneth Carter established the new sewing center in Nairobi Kenya in my name, The Marguerite Guy Sewing A Seed Center. The Region donated \$5,550.00 which was enough money to purchase not only enough of sewing machines for the new sewing center in Nairobi, but to donate some to other regions. Much appreciation to Mrs. Hilda Buie, Council Overseas Missions Secretary for her effort and vision for helping in the implementation of this project and to Mrs. Barbara Stewart, Region Overseas Mission Secretary who did an excellent job on region level of coordinating the project.

REGION PROJECTS

Region Project: The 6th Episcopal District had the privilege to host the Executive Council 2020 in Atlanta at the Marriot, February 24-29, 2020. As the host region's president with the other three region presidents and Sis Kathi R. Roberts as the host district president and all the hard work of the missionaries it was successful event. The highlight of the Council was the Episcopal District Luncheon under the leadership of Sis Paige Perry and her committee. Theme "Georgia on my Mind"

Briefly describe your project: Due to the pandemic (Covid19) our projects for face to face were cancelled (Sister to Sister Luncheon and out Weekend Retreat) and we were able to participant in virtual call during these past months.

Our district presidents held their meetings via virtual zoom. During these meetings the Missionary Education Secretary did outstanding lesson on the book study assigned for this year.

Our Missionary Institute was held on Saturday, May 30, 2020 1:00 pm – 3:00 pm. We discussed the study book Messy People by Jennifer Cowart. Sis Jacqueline Carter, our Missionary Institute Director did outlines for the book Messy People and Life interrupted. These outlines were distributed to missionaries in the 6th Episcopal District. Our Rossie T. Hollis department meetings were held virtual with the young people to include videos and a quarterly newsletter to highlight the work was distributed with ideas and suggestion for parent involvement.

Spotlight by the Pauline B. Grant Status of Women in the November issue of the Missionary Messenger Missionaries Are Not Just Men. Mr. Jerome Garrett and Mrs. Belinda Garret, active missionaries were on the cover of the messenger and were featured for their Outreach Ministry in the Georgia North/Atlanta-Rome District. Missionary Day Report–WMS Kenya Region

First, we thank the Almighty God for enabling us to plan and have a successful women missionary day despite all the challenges brought by covid19. Secondly, we acknowledge and appreciate the continued support of our Bishop Kenneth Carter Presiding Prelate 11th District, Hilda Buie International Secretary Overseas Missions, and Rev. John Ogola Omondi Mission Supervisor Kenya Region.

The WMS executive leaders Kenya region first met in July and on the onset agreed to have a missionary day on 26th September 2020. They identified Shimone Children's home in Utawala, Nairobi as the home to visit. Strategic planning meetings continued through the months via zoom in observance of social distancing. Below is a detailed account of the women missionary day Nairobi Kenya Region.

All the members invited converged at a central point in Utawala and a brief introduction was done by our President Martha Maruru. The team then proceeded to Shimone Children's home where we all arrived at 11am.

Welcome speech by the Children's Home Director

On arrival the team was welcomed by the Director Bishop Hosea. He opened the session with a word of prayer. He expressed his gratitude of the teams sacrifice of their time just to spend time with the children. He introduced the board members who run the children's home and also the caregivers. He then welcomed the Executive Treasurer Martha to give a brief intro and background about Shimone Children's home.

Shimone Children's Home Brief History

At Shimone Children's Home was founded in July 2018 by a young woman _ Elizabeth Wanjiru who had a passion to help the needy and less fortunate in the society. Our project covers orphaned, very poor and vulnerable children (OPV) in the society. The Children come from different parts of the country and from poor and vulnerable back grounds. Some of the children are from slums dwelling areas in Korogocho in Nairobi, Naivasha etc. Shimone children's home is located at Airways, Utawala area and comprises of 25 children with age ranging from 5years to 15years (13 girls and 12 girls). The home is currently at a rented house premise. The children are currently schooling at the neighboring primary schools within our locality with a few in high school. Elizabeth got an opportunity abroad and left the country soon after founding the children's home. She left the home under the running and care of the executive board members under the leadership of the Director Bishop Hosea Gitonga. After further discussions the executive board formed a board of members to help with the running of the home and supporting the children on various needs including food, their education, utilities bills and daily operations of the home.

Mission and Policy Statement

To provide a stable foundation that is rooted in education and health care for orphaned, poor, vulnerable, deprived and destitute children who have lost their own family. We will provide a loving and safe, family environment that enables children the right to a happy, educated, skilled and healthy life.

Aims and Objectives

- Provide love, food, shelter, clothing, education, safe drinking water, medical care and career opportunities to orphaned, deprived and destitute children.
- Help cut down the number of orphaned, poor and vulnerable children in the Kenyan society.
- Improve access to education for underprivileged children, by creating a sponsorship program.
- To assist the less fortunate pupils and students in meeting school expenses.
- Help children who are not academically inclined to acquire technical skills, which will allow them to support themselves in the future.
- To train individual members on how to start community programs including volunteer services/ programs.

Long term goals

- Obtain 10 acres of land and build a rehabilitation centre with a school which will not only support the children at Shimone Children's home alone but the community within its locality.
- Build a home that will raise, nurture and re-habilitate children, aged 4 and above.
- Establish a non-government organization Shimone Foundation that will provide a volunteer program, child sponsorship program, support the vulnerable women and support the elderly in the society.
- Build a tertiary college for the children to train those students who do not qualify for university or colleges to train on technical skills and enhance their livelihood.

WOMEN MISSIONARY SOCIETY – KENYA REGION OUR OCTOBER 2020 MISSIONARY WORK

Face Masks Donation

One of the Objectives of the WMS Kenya Region is supporting the less fortunate in the society including children's home, orphanages, elderly etc. and impact our society in a positive way. Following WMS -Kenya Region Missionary day held during the month of September where we distributed the face masks to the Shimone Children's Home in Utawala, Nairobi. The 400 face masks were donated by Mrs. Linda Miles and women from the 5th Episcopal District and were shipped by our Bishop Kenneth Carter Presiding Prelate of the 11th District. We are very great full for this donation God bless Mrs. Miles and her team. The face mask will assist children to a great extent as a preventive measure and fight against COVID-19.

Our WMS President Martha Maruru arranged for a community service on 10th October 2020 to reach out other children's home and donate the faces masks. Our WMS President visited St. Anne's Rehabilitation Centre in Dandora, Nairobi. She was accompanied by our Executive Secretary Mrs. Elizabeth Omondi, one member of the WMS and a few friends.

Upon arrival at St. Anne's Rehabilitation Centre they were welcomed by Harun the Head Teacher of the School. They shared t gifts of food stuffs and toiletries with the children together with the face masks which were distributed to the children. The team also prayed for the children and took photos with them. One of the members Sis. Deborah gave a three months donation of bread to the children to be issued by one of the neighboring shops four times a week. We thank God for her.

Our President gave a directive for the remaining face masks to be shared and distributed to the other sister branches of St. Anne Rehabilitation Centre in Mathare and Korokocho in Nairobi slums area. Photos of the face masks distribution were shared with our President. The Face mask distribution was timely since the Kenyan government has started partial reopening of schools and face masks are a requirement. It was a great day and we left smiles on the children faces and we thank God.

STATEMENT OF PURPOSE

To provide support and assistance with the five Division of Structure Departments as each Secretary develops and coordinates her represented program.

Method and Number of Communication and Contact to Departmental Secretaries

Zoom Meetings, Conference Calls, Emails, Group Me Texting and One on One Conversations have been useful opportunities to communicate with Department Secretaries.

Overall Progress Reports of the Division

Each Secretary has incorporated specific goals with mastery despite the current global pandemic environment. Secretaries have systematically communicated their interests and concerns with Region Presidents and those who hold leadership positions with the appropriate departments.

How did your Division enhance, promote and/or advance the mission and/or the work of the Women's Missionary Council?

Each Department Secretary regularly published articles in the Missionary Messenger, spotlighted virtual gatherings with special guests, participated with workshops, held book reviews and marketed to purchase, online promotional fundraising items.

How many of your Department Secretaries met their goals?

With deliberation, each of the five Department Secretaries developed and achieved practical and doable goals in spite of the on-going epidemic. Virtual events were advertised and programmed along with Connectional participation.

Organizations and Promotions goals are continuous and will be measured according to the financial outcome of the fundraiser.

List the STRENGTHS of your Division

List the WEAKNESSES of your Division

- (a) The 2019- 2020 Global Pandemic has remained and has had a distinct impact on each Division's mission to provide the more favored services and projects at home and abroad.
- (b) Although missionaries did modify familiar programs and activities, having logistic restrictions became a hindrance and as a result along with the closure of local churches, the familiar and uplifting programs and activities became shadowed with uncertainties due to the nationwide health crisis.
- (c) The mail order responses and additional itemized mailing charges were excessive and costly.

Milestones and Accomplishments of your Division

Number of individual members in your department reporting: Not Applicable

RECOMMENDATIONS

The Constitution & Bylaws should be reprinted or an errata sheet inserted into the existing document on the bases that (1) certain sections were inadvertently omitted; (2) certain language was inserted into the Constitution and Bylaws that was not amended/approved at the 2019 Quadrennial Assembly; (3) the approved resolutions, which amended certain sections of the Bylaws at the Quadrennial Assembly, are not worded correctly as amended and approved; (4) the Constitution and Bylaws should not be printed without the review and approval of the Chair; (5) in order to ensure the integrity of the governing documents there should not be any type of unilateral changes or additions to the Constitution and Bylaws, which more than likely could be adhered to by a professional printer rather than individual WMC members; and (6) there should be a method of publication created to ensure that is no compromising of the Constitution and Bylaws so as to jeopardize the integrity of our governing document.

Did you contact the Regional Departmental Secretaries and/or Committee Chairpersons to make them aware of your plans? YES X NO If no, why not? _____

Were your plans carried out successfully? YES X NO If no, explain why not? _____

Did the action and activities of your department/committee help to promote and/or advance the mission and the work of the Women's Missionary Council? Explain: YES. A resolution was submitted by Mr. Sandra Jones and Dr. Sonia P. Brown titled *Elnora P. Hamb Health Initiative*. The Resolutions Committee met via teleconference and unanimously decided to send it back to the authors for more clarification regarding the items listed in the resolution. At this point, I have not received the revised resolution. Also, the Council Vice President, Mrs. Calandra Hunter, submitted two resolutions authored by the Regional Vice Presidents. The first one is titled *The Higher Education Scholarship Essay Topic*, and the second one it titled *Helena B. Cobb (HBC) Grants Be Forwarded by August 1st*. The resolutions from the Regional Vice Presidents have been emailed to all committee members, to International President Jacqueline I. Scott, Mrs. Juliet Waddell Pittman, and Patron Bishop James B. Walker for screening, comments, and suggestions. The Resolutions Committee will have a Zoom Meeting to edit and place them in the proper formats once the *Elnora P. Hamb Health Initiative* Resolution has been re-submitted, so that the committee may work on all three Resolutions during this meeting.

As a Departmental Secretary and/or Committee Chairperson, do you feel you are carrying out the mandates of your position as listed in WMC Handbook? YES X NO If no, why not?

List ONE thing you will do in 2020-2021 to help move the Council forward. *As Committee Chairperson, I shall be readily available to assist anyone who needs it and to work willingly and diligently along with the Resolutions Committee from the Council level to the Regional level to ensure that resolutions to be presented to the 2023 Quadrennial Assembly are received in a timely manner so that this Committee may edit and place them in the proper format.

STRENGTHS: Strengths of the Resolutions Committee are that members are stellar leaders in their local churches, districts, regions, as well as on the Council levels, and they represent each Episcopal District. Also, they bring an array of knowledge along with a zeal & eagerness to serve.

WEAKNESSES: Sometimes telephone voice mailboxes are too full when trying to make contacts.

What project did you participate in on the Region Level?

Department/Committee Project: The process of submitting reports was discussed and demonstrated thoroughly by our Regional WMS President Eva Lay

Number Participating 76

Briefly describe your project: During our August 22, 2020 Planning Meeting via Zoom, our WMS Regional President discussed and demonstrated (screen sharing) the process of completing the various forms that we submit from the local level to the Council level. We then had a Q & A where several questions were asked and answered. Past Conference Presidents and other Society leaders contributed to the discussion and assisted in answering questions.

RECOMMENDATIONS: I encourage all missionaries to have an organized Resolutions Committee for the purpose of writing and submitting resolutions if/when necessary. The process is outlined in the Handbook. Also, I encourage missionaries to join together from the Local level to the Council level to offer resolutions that will strengthen this pivotal department of the Women's Missionary Council of our Great Zion!
